

Work 18.11.21

Shared Reading: Research the features of a fiction text. What features should we see in a narrative/story? Create a mind-map around the front cover. You could print this or draw the front cover yourself.

Maths for 18.11.21

I have uploaded a mymaths. Please log on to this to see the activity.

Design and Technology: Today in class we are designing our Roman chariots. Using the pictures you researched last week (or look again on google images if you have forgotten), draw your design of your chariot.

What materials will you need to create your sling shot car/chariot?

How are you going to make your chariot?

Don't worry about the sling-shot part as we are going to create that altogether in class next week.

In the afternoon:

Music: Please practice our nativity songs. I have attached the lyrics to the website for you to practice.

Please see the youtube links for music.
