

The Farm

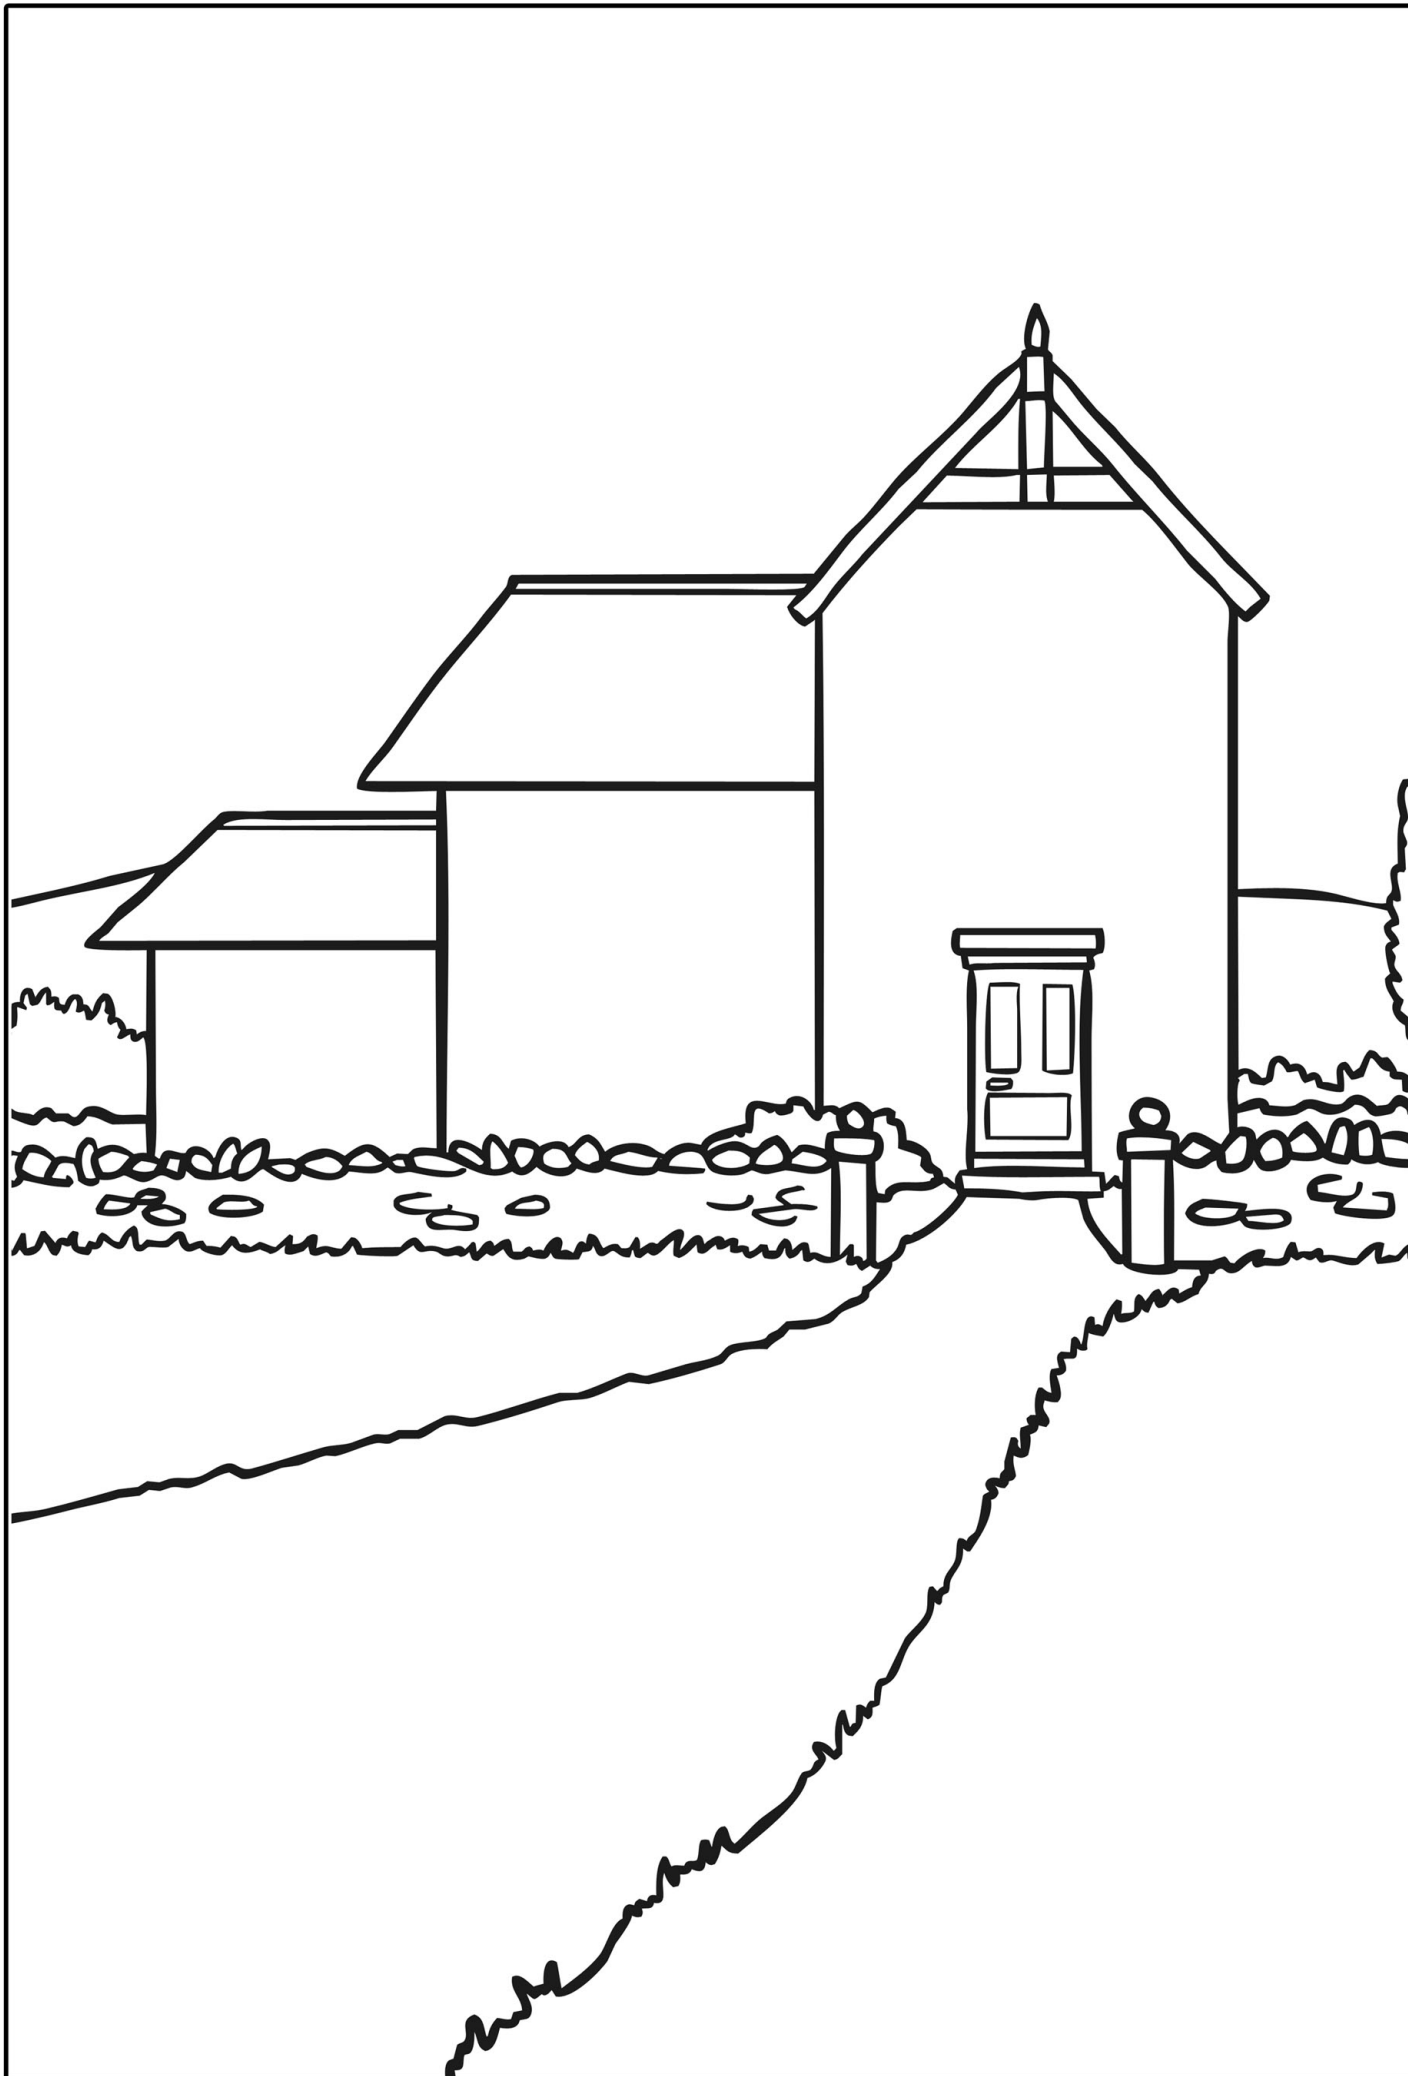

Create your own Magical Realist picture, in the style of Joan Miró.

Complete the picture by adding objects, animals or people that are important in your life, and the things you like to do. Use bright colours, and think about making some objects too big or too small.

Create your own Magical Realist picture, in the style of Joan Miró. Complete the picture by adding
bright colours, and think about magical realism.

Adding objects, animals or people that are important in your life, and the things you like to do. Use
making some objects too big or too small.
