

# History Homework

Year 4 have been enjoying our new topic Ancient Rome. This week they have researched key dates for different Roman invasions and designed their own Roman chariot (which we will be making next week!)

For this week's homework, I am setting a history themed activity. Over the next few weeks, we will be learning about two significant people in Roman history: **Julius Caesar** and **Boudicca**.

Please can children research one of these significant people and write down any facts they find. We will then use these facts in class to help with our history learning.

Please write down the facts you find in your homework books to help with our information texts lesson in class.
