

Message from Mrs Eadie 25th May (WK10)

Hi everyone,

Gosh, I can't quite believe we are into our 10th week of learning from home! I hope you are all well and managing to do lots of playing and singing.

As this week is half term week there are no lessons from the Love Music trust, but there is a new song from Out of the Ark! Here is the link which takes you to the OOTA home learning zone and shows all the songs that we've done plus the new one.

<https://www.outoftheark.co.uk/ootam-at-home/>

The songs are now in 6 sections :-

In it together, **Wow and wonder**, **Get Moving**, **Wellbeing**, **Sing in every subject** and **Just for fun**.

Brighter day tomorrow https://youtu.be/pDt_39G8214

This is a lovely song which teaches us about how the choices we make today can impact on our future.

SING UP

KS1 I hope you enjoyed the lovely song about Baby Beluga last week. This week's song is called Down by the Bay and it's a great opportunity for you to do some song writing yourself. You may, of course, try to link your topic work into this song, it really doesn't have to make sense! Just have a bit of fun with it.

Here is the link, the words and some activities

KS2 Here's another powerful song that we have sung recently in school. It's a cracking song to encourage self-belief, perseverance and empowerment.

This week's favourite quote:-

"If we could change ourselves, the tendencies in the world would also change. As a man changes his own nature, so does the attitude of the world change towards him"

Mahatma Gandhi

Have a great half term week everyone and hope to see you all soon.
