

Message from Mrs Eadie 27th April (WK6)

Good morning everyone,

Well, what another week of wonderful, sunny weather!! I hope you have all had a fab week and are continuing to enjoy your learning at home, doing plenty of singing and dancing!

I have a huge apology to make as it would appear that last week I forgot to give you the website address of 'Out of the Ark' music site who are providing us with wonderful songs and activities each week. So, before I go any further here it is!

<https://www.outoftheark.co.uk/ootam-at-home/>

This should take you straight to their free weekly song page! This week we are on week 6

This week's selection is brilliant and I know you will have a great time deciding on your favourite one. Here is my selection for this week. (Please note these are not hyperlinks, you will have to go into the website)

Move-it Monday This took me about 3 goes before I managed to get it without clapping or stamping in the wrong places!! See if you can make up your own actions to this tune!

Together on Tuesday's song is one that you will be familiar with as it's one of our assembly songs. We've not sung it for a while, see if you can remember it.

Fun Friday *Nursery Rhyme Nonsense!* This is my very favourite one this week. Try singing the alphabet along with this. Can you make it fit? I'll bet my lovely phonics group can!

Family Saturday A beautiful song about the songs that different birds sing! Can you identify the instruments making the bird calls? Using different instruments to imitate sounds has a special name in music called **TIMBRE**. Sit outside and listen to the birdsong around you. How many different types can you hear?

Faith-filled Sunday's song this week is all about the days of the week. There is a **signing** video attached! See if you can learn it.

BONUS SONG In 1666. A super song about the Great Fire of London. Very informative!

If you have time I can highly recommend looking at the activity sheets that come with each song. They all have a 'Challenge', 'Talk about', 'Share it' and 'Did you Know?' activity. They also have a quote on each sheet, some inspirational, and some are just funny quips.

My favourite quote this week:-

"I LIKE NONSENSE, IT WAKES UP THE BRAIN CELLS."

Dr Seuss

LOVEMUSIC TRUST MUSIC LESSONS

MUSIC lessons for KS1 and KS2 have once again this week been put together by the Love Music Trust. As well as our music lesson, the trust has also put together a Daily Big Sing during which you learn a warm up song and then learn step by step a new song. This week's selection are all songs from musicals. I'll give you the links and you can choose.

Monday	Beauty and the Beast	https://youtu.be/N2Hss4eqRbo
Tuesday	Zip A Dee Do Dah	https://youtu.be/mJUzjT9UE18
Wednesday	Singing in the Rain	https://youtu.be/H6LojAd2304

KS1 - <https://youtu.be/gG1N9NkjHjI>

This week's lesson is all about writing your own song! We are going to write about the life cycle of a frog using the tune to 'Tiny caterpillar on a leaf' (learned last week). Let me know how you get on.

YEAR1 [Ai Caramba Samba \(Vocal\).mp3](#)

A special song for you to go with your topic on Brazil. (I hope this works, it's such a great song. If it doesn't let me know and I'll try to find a way to get it to you all!

MARS from the Planet Suite written by the British composer Gustav Holst, is one of the most iconic and instantly recognisable pieces of music ever written. This week's lesson will be of particular interest for the YR5's and their space project, but a great lesson for all. Let the LMT join us with Dick and Dom as their space mission takes us to Mars.

See if you can recognise the music and what classic film franchise it is associated with? There's a wordsearch for you to do if you'd like to. I've attached it at the end of this letter.

I hope you have a great time learning some new songs and investigating one of the most well known pieces of music ever written

With my very best wishes from

Mrs Eadie
