

Charlie the Firefighter Board Game

You will need:

- Charlie the Firefighter Game Board
- Counters
- Dice
- Playing cards

Before you play:

- This game is for 2-6 players.
- Cut out the dice and glue the tabs together to make a cube.
- Cut out the counters (one for each player).
- Cut out the playing cards.

How to play:

1. Place the counters at the start of the game on the fire engine.
2. Take it in turns to roll the dice and move around the board.
3. If you land on a space with a picture of a fire on it, ask another player to pick up one of the playing cards and read it out to you. If you can answer the question correctly, you can move on one space. If not, you stay where you are.
4. The first person to reach the fire station is the winner!
