Dear Parent / Carer,

Years 2, 3 and 4 enjoyed their creative workshops linked to their curriculum topics. The children enjoyed learning through role play and drama activities. We are so lucky that the PTA part funded these enrichment activities.

Thank you to all the children for doing jobs at home in order to replace the smarties in their tubes with coins. The total raised from this fundraiser was a massive £479. Year One was the overall class winners and will enjoy their prize of lovely home - made cakes later this week. The recent Valentine's Disco organised by the PTA raised an amazing £537. These much needed funds will go towards future enrichment activities in school in the future.

I hope that the Reception parents enjoyed their 'Stay & Play' session last Tuesday morning which focussed on activities to support the development of fine motor skills. Thank you for joining us.

Our Junior Gymnastics Team is working hard to learn their routines in preparation for their competition in April.

Staff will be writing to parents this week regarding Parents' Evening appointments for next Monday and Tuesday. Please check your child's bag this communication.

I welcome Paul Tarne and Kate Rawlings-Brown as the newly elected Parent Governors as they take up their new positions on the Governing Body. I am meeting with a working group of Governors this Friday afternoon to consider the strategic direction of the school over the next 5 years. If you have any suggestions or would like to contribute to the discussions please feel free to contact me or speak to one of the Parent Governors.

Damien Stenson
Headteacher

Year 6 ~ Isabella Maloney

~ Halle Donnison

PTA NEWS

Information and order forms for the Bingo & Curry Night on Friday 23rd March went home last week. Please order your tickets by the 20th March. Hope to see you there!

MOPS NEWS

Mothering Sunday was very much on the children's minds last week when they got under way designing their cards with love.

MOPS was also turned into the 'Jewellery Hub' of Cheshire when the children began producing their "FABERGE" eggs in time for Easter. Their enthusiasm was heartening as they carefully crafted their "jewelled" eggs.....and the results are "sparkling"! For those children who have not yet had a chance to do this craft we will continue again this week.

Running alongside this we shall be making bunny baskets which the children have enjoyed doing in the past.

Our annual police visits will take place over the next three weeks with the first session this Tuesday 13th March, talking to the children about internet safety.

We also have several cookery sessions booked with a local company, "Speckled Hen." Hopefully, although not yet confirmed, the first will be during the last week of term. We will be making Easter biscuits from a very old English recipe. To tie in with Easter, the biscuits will be made in threes to represent the holy trinity.

Mrs Eadie will be working with those early years children who would like to play board games. The children really enjoy the games which help with their number recognition, matching, maths and key words.....but in a play based way.

For any parents interested in their child attending MOPS please ring Margaret Hargreaves on 0775 9563603.
