Dear Parent / Carer,

It was a big week for Sporting at Mobblerley Primary School and all our children conducted themselves fantastically at the World Cup Football

Tournaments. Great manners and teamwork were on display at all times. A particular well done to our Year 3/4 Boys who won their tournament and our Year 3/4 Girls who were runners ups in their's.

Our Year 4 won Gold Medals at the Knutsford Cluster Tennis Tournament on Thursday. A fantastic achievement!

Our Year 4 & Year 6 Teams had a great afternoon at the Athletics competition on Wednesday, narrowly missing out on a medal place.

The sporting theme continues this week with tag rugby, hockey, tennis & golf, rounders and cricket events.

Year 5 will be attending a PE Day at Knutsford Academy this Friday. They attended a Numeracy Day at the Academy last Thursday which included games of Pointless and Cluedo!

Year 4 enjoyed their trip to The Roman Dewa Museum last Monday. The highlights included a march through Chester whilst chanting, Miss Quibell taking part in a Gladiator fight and Miss Rainbow getting her head chopped off!

I thoroughly enjoyed attending the Mobblerley Rose for the first time on Saturday. What a lovely community event this is and so nice to see all of our children taking part in so many different ways.

Damien Stenson
Headteacher

Golden Certificates for the week ending 15/06/2018

Reception ~ Archie Goodall
Year 1 ~ Brooke Owens
Year 2 ~ Rosalie Tarne

Pen Licences

Pen Licences have been awarded to Max Valentine and Harry Gallagher. Well done boys!

Music for Life Lessons

If your child is interested in trying a course of instrumental lessons at school, please visit www.musicforlife.org.uk/apply-now where you will find lots of information and be able to book a "taster" course online ready to start in September. Instrument lessons at Mobberley CE Controlled Primary are provided by Music for Life - a not-for-profit music education service working in partnership with 130 schools to teach around 4,500 pupils every week across Cheshire, Wirral and North Staffordshire. To discover more about the work of Music for Life, please visit:

VIDEOS:

Music for Life can accommodate almost any child who books a course before the summer because it designs a new timetable from scratch every year to do so. After that, additional places may be available during

the year but they tend to be more limited. It is important to note that anyone wishing to try a course of lessons in September needs to book before the end of this term (certainly before August) to be sure of a place when school reopens.

The cost of lessons can be spread over 12 months if required to help make things much more affordable, typically around £25 per month or less for most instruments for beginners (piano around £37 per month) and payment can be made by almost any debit, credit or pre-paid card. Full details about costs are available on the Music for Life website and can be viewed and confirmed before booking. Involvement in music offers young people something very special, not only introducing children to a confidence boosting, life enhancing interest, but also something which study after study has shown leads to improved achievement across the curriculum. 130 schools, together with thousands of parents, young people, professional musicians and music teachers would tell you they feel Music for Life offers something special, too! Music for Life exists to engage children long term in high quality music making and to nurture and develop an interest we know many will have for life. We are proud to have had the opportunity to work with some amazing young people over the last 23 years and hope that your child may join us soon!

School Garden Plea

Does anyone have any garden canes that we can use to stake our plants?

Thank you,
Mrs Anderton

PE Kits

Please ensure that your child has these in school at all times. Given all of the sporting events that are taking place it is easy to lose track of where the PE kit is but the School Office would greatly appreciate keeping requests to call home for PE kits to a minimum at this extremely busy time of year.

MOPS NEWS

Last week at MOPS the children spent a great deal of time outside in the sunshine. However, we spent a very warm Tuesday inside make no pizzas with 'Speckled Hen'. The afternoon was a great success and the children were all so pleased with the results. We hope they enjoyed eating their pizzas too.

This week our craft is World Cup football puppets.

We also hope to have our mini sports day either this week or next.

To book your child in at MOPS please ring 0775 9563603
