Dear Parent / Carer,

Year 5 and 6 attended very successful transition days at Knutsford Academy last week for PE and Literacy.

Year 6 enjoyed their 'Come Play with Halle' Trip at the Bridgewater Hall last Tuesday. I do hope those parents that attended enjoyed it as much as the children did.

Year 6 have their Lockerbie Residential this week, Weds-Fri. We do hope that they have a fantastic time. It is great that the weather is due to stay nice – please remind your children to use suncream and take on lots of water!

I hear that a lot of our children were very supportive of the runners in the Half Marathon this Sunday – handing out water, cheering them on etc. I love to hear these positive comments from our local Community.

We have Informal Photographs in school tomorrow being taken by Ailsa Birchenough. Please remember to get in your forms (including group authorisations) if you would like your child to be photographed. If you have requested your child to be photographed, please make sure that they are in uniform (no birthday clothes).

I hope to see you all at the Summer Fair on Saturday (12:00-3:00pm). It looks like it will be a sunny, fun-filled afternoon!

Damien Stenson
Headteacher

Golden Certificates for the week ending 22/06/2018

Reception ~ Lacey Lindley-Turnbull

2. Sara Kaizik
3. Emily Newton

A HUGE congratulations to Will Ackroyd who was chosen as the overall winner!

The Parish Council wish to thank all of the children that entered artwork for the competition. Winners have been presented with prizes from the Parish Council.

MOPS NEWS

Last week many of the children entered into the spirit of the World Cup making football puppets. We have to say that there were some very good results, so well done children.

This week at MOPS the craft is tree lanterns for the garden and hopefully all the children will want to take part in making one of these.

The weather is set to be very warm again so please ensure that your child has adequate sun protection and a water bottle for when they are playing outside. This could be the week that the children get to use the water pistols which have been hidden away waiting for a hot spell. We endeavour to keep the children and ourselves as dry as possible but somehow this often fails.....any parent/carers not wanting their child to take part please let us know.

Dates for your diariesMOPS Specials:

~ Monday 2nd July: A fun afternoon "ZORBING" on the school field. We have done this before and it proved a great success.

~ Thursday 5th July: Speckled Hen Cookery Workshop, making Russian biscuits.

~ Tuesday 10th July: Another not to miss event – Electric Go-Kart Racing on the school playground. Once again, we have had this company several times at the After School Club and the children have always really enjoyed the thrill of racing around a safe track with inflatable boundaries for their protection.

Please note that we need parental consent for your child to take part in any of the special event – please speak to Margaret about this by ringing 0775 9563603
