Dear Parent / Carer,

Year 6 had an amazing time in the sunshine at their Lockerbie Residential Trip last week. I was most pleased to hear about all of positive comments from the staff at the centre about our children's behaviour and manners.

Last Tuesday, our Junior children enjoyed performances from our Drumming and Y5 Samba Drumming pupils. Dan Coppock is our drumming tutor. If your child is interested in learning the drums please speak to us about lessons for September (1 place available). Year 5 will get the opportunity to learn Samba Drums at a lunchtime club.

Thank you to everyone who attended the Summer Fair on Saturday. It was very well organised and the weather was on our side. A special thank you to Mrs Eadie and her Maypolers for their stunning display. I've just about dried out from all of the sponges in the Ye Olde Stocks!

We have another very busy week ahead commencing with our annual Sports' Day on Tuesday. Please make sure your child has plenty of water, sunhat and suncream on.

Our new intake Reception children start their visits this week. We look forward to welcoming them to Mobblerley School.

Year 6 have their Astbury Leaver's Service and Picnic on Thursday. Another highlight for them as they approach the end of their time at Mobblerley School.

On Wednesday, Ailsa will be coming into school to finish off the informal photographs. It's not too late to place a request. This was our first attempt at running these and the experience has helped us to rethink and reformat any future such an offering.

## **MOPS NEWS**

Thank you to everyone who came and supported us at the Summer Fair on Saturday. We really appreciate you all coming and everyone who helped set up / on a stall and clearing up.

Thanks to Bethany Kirkwood for organising all the hot food and Stuart Marshall for organising the PA system.

## **MOPS NEWS**

Our water pistols stayed hidden away last week as the weather was so hot it was cooler to stay inside for the children and staff. If things change, out they will come this week.

However, all was not lost as it freed up some time to complete one of our crafts which the children will take home at the end of term.

On Monday, we have the first of our 'MOPS SPECIALS' for the children. We have changed our 'ZORBING' activity to next week as the weather forecast is set to be just as hot this week.....we came to the decision that rolling around in plastic was not a good idea for the children. This means that our electric GO KARTING WILL BE THIS EVENING 2nd July and will not finish until late.

On Thursday, we are making Russian biscuits with 'Speckled Hen' once again leading this workshop. The children have really enjoyed these sessions and we hope Thursday will be no exception 🍪🍪👤👤👤👤👤👤  
Again, another late finish.

NEXT WEEKS SPECIALS FOR YOUR DIARIES:

~ Monday 9th July ..... 'MINI BEAST ENCOUNTER', where the children are able to get up close to creepy crawlies and learn all about them and how important their role is on our planet. We require parental/carer consent for your child to take part in this MOPS SPECIAL.

If the school sports day goes ahead on Tuesday 3rd and doesn't need to be rescheduled we shall be doing our ZORBING on Tuesday 10th July. Late finish

We hope all the children will enjoy these activities. If you would like your child to attend any of the above specials please ring 0775 9563603. Thank you.
