Dear Parent / Carer,

What an amazing afternoon we had for Sports Day. We were blessed with lovely weather but mercifully there was a light breeze to help keep us cool. We do hope that those parents who joined us had an enjoyable afternoon.

Year 6 attended their Diocesan Leavers Service & Picnic at Astbury. This was a lovely celebration with other Church Schools from our diocese.

Thank you to all staff for helping to organise all of the recent events for children during this very busy half term.

Our second group of new Reception children will be visiting school this week. We hope that they settle in as well as last week's group and enjoy their first taste of life at Mobblerley School.

All children in current Reception – Year 5 will be spending time with their new class teachers this morning in preparation for their new classes in September.

Preparations for our Junior Summer Show are well underway. Props and scenery are being created as we speak. I am looking forward to the conclusion of all of this hard work. A letter has gone home today regarding Friday's run through arrangements and the tickets for the performance (x2 per family).

Good luck to the children competing in the county finals for Tennis and Gymnastics on Wednesday. We are very proud of their gold medal qualification in the heats and hope that they have an amazing time at the 'School Games Day & Festival'.

Year 4 will be visiting Knutsford Academy on Thursday for a Science Day. We hope that they enjoy their day of experimenting!

Damien Stenson
Headteacher

Well done to these children!

MOPS NEWS

The children all enjoyed our cookery session on Thursday and we were pleased when one of the infant children told us how much he was enjoying the cookery and thanked us very much for organising it. Made our day. ☐☐

Out from storage on Friday and at long last came the water pistolsonce again the children had a fun time cooling down in the extremely hot weather conditions.

This week, we have our final two specials. On Monday it is MINI BEAST ENCOUNTERS a close up look at insects 🐛 and their important role they play in our world. The children will be able to handle the insects if they so wish.

On Tuesday, we shall be having a picnic on the field together with what we hope will be a fun afternoon ZORBING. Please remember to provide sun protection for your children and also hats.

We shall be finishing off crafts this week and hopefully spending more time outside.

Hope all the children enjoy this week's events, especially the year six school leavers.
