WEEK EVENTS

Dear Parent / Carer,

We had a very successful internet safety week in school with some very lively discussions about privacy settings and permissions. What was apparent was the amount of exposure that even our youngest children have to ICT. This highlights our need to continually educate children about this to keep them safe. I hope that your child shared some of their learnings with you.

The representative from the Wrexham Robinwood Activity Centre visited our Year Six children and parents to talk about their forthcoming residential trip. I'm sure that this visit sparked the children's enthusiasm for the range of activities that the Centre has planned for them. As ever, good standards of behavior and attitude in the classroom are a prerequisite for attendance on the trip.

Letters for new sporting clubs for next half term have gone home this week. Our successful STEM Club starts for Junior age children. We are holding a ballet taster session for our Reception children on Tuesday with a view to some of them starting lessons next half term.

The months of hard work and preparation by the Young Voices Choir come to fruition today with their performance at the Young Voices Concert at the Manchester Arena. We will miss their singing on a Tuesday evening after school. Thank you to Mrs Eadie for all of her passion and drive for our involvement in the largest school choir concert in the world.

On Wednesday, the explorer, Mark Wood, is visiting school (rearranged from last term) and will talk to the children about his upcoming expedition to follow in the footsteps of George Mallory. He intends to take a laminated crest of Mobblerley Primary School to the top of Everest with him. This will be signed by the expedition party and returned to school to be put on display. This will be a powerful symbol of our commitment to global learning and local history.

I hope that you have an enjoyable half term break. We return to school on Tuesday 26th February.
