1ST APRIL 2019

## WEEK EVENTS

Dear Parent / Carer,

Thank you to everyone for engaging and supporting children during our Science Week in school. I have seen a lot of the 'eggciting' and 'eggcellent' 'eggperiments' that have taken place! We will be holding a Science Assembly on Wednesday afternoon for the children to showcase their work. On Friday, we will be holding a Sustainable Development Assembly, continuing our annual focus on the sustainable development goals.

Tomorrow is our Lenten Service at St. Wilfrid's at 9:30am. Father Ian will be leading us in our preparation for the Easter celebrations. Parents and carers are welcome to join us at this service.

Thank you to the Year Two parents who attended that SATs information meeting last Thursday. I do hope that this has provided you with important information for the tests.

Tonight and tomorrow evening we will be holding our Parents' Evening appointments. Please bear in mind that teachers will be happy to talk to you about academic progress but they are limited to a 10 minute window. If you do have other concerns which may merit a longer conversation please arrange to meet with the class teacher or myself at a different time. This will ensure that the evenings run smoothly without lengthy delays.

After the Easter Break, when we will be launching our new Physical & Mental Health Initiative, 'Goodness To Greatness'. The launch date will be on Friday 26<sup>th</sup> April in school. All classes will be involved in a year long programme of events, activities and classroom teaching to look at subjects such as nutrition, body image, fitness, sleep, rest and wellbeing. We hope that this will be both enjoyable and informative.

Thank you for supporting our Nepal sponsored walk on Friday. This Friday sees our final fundraiser, 'Bring A Toy To School Day' in return for a £1 donation. Please no electronics. Due to your generosity we will not be having the cake sale during the first week back as we will have reached our fundraising target.

I wish you all a peaceful, happy and restful Easter Break.

Damien Stenson  
Headteacher

## GOLDEN CERTIFICATE

Reception ~ M Wright  
Year 1 ~ L Lindley-Turnbull  
Year 2 ~ V Miller

## Water Bottles

Please could you ensure that all children have water bottles in school so that they can rehydrate throughout the day.

Please do NOT send in juice or single use water bottles. Juice is not a healthy option and reusable water bottles are much better for the environment than single use plastic bottles.
