WEEK EVENTS

Dear Parent / Carer,

This coming week is a very special time for us in school. Fundraising activities will be taking place for "Ellie's Star Week", every day, to honour the life and spirit of Mrs Eleanor Shipton. Thank you for your tremendous support so far through the Just Giving page, t-shirt purchases and by signing up for the week's activities. It is very heartwarming to see the Mobblerley Community pulling together for such a worthwhile cause.

Today, we welcome Rev. Scott who will be making the first of his monthly visits to speak with children in school during assembly. Fr. Ian conducts an assembly on a Wednesday afternoon. It is a key part of our religious provision in the school to welcome our local faith representatives.

Today, we also welcome members of The Active Cheshire Organisation as part of our year long goodness to greatness campaign. They will be working with children in Year One on geocaching activities using Maths and English problems to be solved in an active way. This sounds great fun and we are hoping to roll it out across the school in the near future.

Pupil representatives will be taking part in a Knutsford Council Meeting this week, hoping to reduce the amount of plastics used throughout Knutsford. Pupils will also be able to share with the Council our school work done the Global Sustainable Development Goals. Upper Junior pupils will also be representing the school at a Reducing Food Waste & Composting Workshop run by Cheshire East Council. We hope they come back with renewed enthusiasm and ideas about how we can make our school a greener place.

Good luck to all of pupil competing in sports fixtures and events this week. As the changeable weather continues we do hope that all fixtures go ahead as planned. We will inform parents by text if there are any cancellations.

We are delighted to receive a grant of £3,000 from the Ronnie Scott's Charitable Foundation which is dedicated to the support of jazz and music education in the U.K and beyond. We have used this to purchase to purchase 8 P Trumpets, 3 P Bones and 3 Brass Baritone. These will be used by generations over the forthcoming years. Thank you so much to Zoe Hargreaves for her hard work in securing additional grants for the school.

Recycling in School

As a school we are committed to looking after the environment. Our Year 5 and Year 6 Recycling Officers are attending meetings / workshops this week to support this aim in our school and the local area.

We are already collecting batteries and used stamps so please keep these coming. Watch this space for new initiatives.

PTA 100 Club

The October draw for the PTA 100 Club took place on Friday during the weekly Celebration Assembly. The two numbers were drawn by one of the children and the winners are:

- ~ Mrs E Martin-Bird
- ~ Ms J Norris
