WEEK EVENTS

Dear Parent / Carer,

Last week was a very special week in the life of our school. An amazing total of £3,200 was raised for Ellie's Star Week. £1,000 of this will be used for a new 'Buddy Bench' for the Infant Playground (which was Ellie's wish) and the remainder will be donated to the Christie Hospital. Thank you for your amazing generosity and for getting involved in so many of the events from cycling, netball, baking, t-shirt purchases and the owl raffle. I really do feel that the week was a fitting tribute to a wonderful lady.

Thank you to Mrs Eadie for leading our school choir during the St. Wilfrid's Harvest Open Weekend celebrations. They sang beautifully and were a credit to our school. Mrs Eadie and Year 5 worked together to produce the beautiful floral decorations that are adorning St. Wilfrid's during the Harvest Season.

Father Ian led us in a lovely School Harvest Service this morning in St. Wilfrid's Church. His very thought provoking words got children to consider and reflect upon air miles used to bring food to our plates as well as giving thanks for the food that we share. Thank you to parents for your generous donations of food which will be taken to the Welcome Café on Longridge to be distributed to those families less fortunate than ourselves.

Thank to our School Recycling Officers and Council Representatives who met with Councillor Malloy last Monday at the Knutsford Council Offices. Together with the other local school they came up with exciting plans to make our local area a plastic free zone. They also attended a Recycling Workshop on Tuesday in Middlewich where they learnt about composting and developments in recycling.

Please can I remind all parents and carers who use the school car park for dropping off and picking to be courteous at all times to other users. We know there are obvious demands on space at these peak times but I would ask all users to drive with utmost care and attention. Can I also remind people that the car park is an access point to the fields beyond for the local farmer and therefore no one should park on or near the track at the end of the car park.
