WEEK EVENTS

Dear Parent / Carer,

Last week two of our Governors, Nicky Whiteley and Alistair Macleod visited the school to do a learning walk. They were very impressed by the children's manners, their behaviour for learning and their enthusiasm for their studies. It was lovely to hear these comments. Thank you for reinforcing the importance of the Golden Rules at home and reiterating the value of good manners. This is something we all wish to be the hallmark of Mobblerley Primary School.

Many sporting fixtures took place in the last week despite occasional downpours. Congratulations to our netball team who beat Bexton School in the past week. Praise also goes to the children who represented Mobblerley School with distinction in the Multi Skills Festival. The brave souls who took on the challenge of the Cross Country course last week also did us proud, a special mention goes to Rosalie who finished second overall in a field including all the Knutsford area schools. A fine achievement considering she had been ill earlier in the week. As we always say to the children, you can't always be the best but you can always do your best.

The Year 5 children will be visiting Chester Cathedral this week for their annual Pilgrim Day. I hope they enjoy their day looking at how people in the past have visited places of worship.

On Tuesday this week we invite all parents of Reception children to join us for a Reading and Writing workshop led by Mrs Franklin. Hopefully this will give you lots of practical ideas to support your child's learning at home.

Next week parents will have the opportunity to meet with staff for Parents Evenings. Teachers will be able to feedback on how pupils have settled into their new classes and convey any important information required. I would ask in the interests of lengthy queues on both evenings if you can be mindful of set timings. It is difficult for all involved if conversations run over. If an issue relating to your child requires a more lengthy chat please make a separate appointment to discuss this in detail. Thank you for your assistance in this matter.
