WEEK EVENTS

Dear Parent / Carer,

Thank you to all the parents who attended the Reception class Reading Workshop led by Mrs Franklin. I hope it gave you some practical ideas about how you can help your child at home. As we often mention, reading for ten minutes each night is the best way to help your child in their literacy work.

Our Year 5 children enjoyed their trip to Chester Cathedral on their Pilgrim Day. I saw lots of lovely models come back into school and I know they had fun undertaking various craft activities. I believe their manners and behaviour were exemplary which is a great credit to them.

Thank you to Mr Hargreaves and Mr Morris who have declared their interest in the Parent Governor role. A Parental Ballot will take place as soon as we return after the half term break.

Over the next two evenings teachers will meet with you to discuss how the children have settled into the new school year. Staff are always keen to give parents feedback. However, please be mindful that each appointment can only be ten minutes long to prevent lengthy delays. If there is an issue that you wish to discuss in greater depth please make a further appointment with the class teacher or myself and we would be happy to meet you.

Individual pupil and sibling group photos took place this morning in the school hall. The children all looked very smartly turned out and I am sure you will enjoy looking at the photos in due course. Thank you to the members of the PTA who helped straightening collars and combing fringes!

The school will hold the annual Open Morning on Wednesday at 9.30am. It is always lovely to meet new members of the school community and families who already have children with us. Please mention this to anyone you feel may be interested who has a child due to start in 2020 or 2021.
