WEEK EVENTS

Dear Parent / Carer,

At this time of year, our choir are very busy. Last week they brought their Christmas cheer to the residents of Leycester House and this afternoon they will sing at Sunrise nursing home. Opportunities to perform like this are warmly received by the local community but they are also very valuable for building the confidence of our pupils. Many of the choir members are relatively young and the value to their self-esteem should not be underestimated. We are incredibly proud of all of our amazing choir members.

Last week our children enjoyed wonderful pantomimes. Our junior children visited the New Vic Theatre in Stoke to watch 'The Prince and the Pauper' while our infant children watched a visiting performance of 'Jack and the Beanstalk.' A great time was had by all and behaviour was excellent throughout both performances.

This week it is our pupil's turn to take part in re-telling the most famous of all stories - the Nativity. Years 1, 2 and 3 will perform their Nativity in two identical services in Church from 2pm on Tuesday and Wednesday. We hope that this allows parents the chance to see their children without too much of a squish in the pews. It is always a challenge to put on Christmas services which cater adequately for demand within our restrictions of the church and school hall - but we will endeavour to do our best. Reception class and Junior nativities will follow next week.

Thank you for your support with afterschool clubs and MOPs. Nearly all of our clubs are full to capacity each evening and it is a great testament to the staff who run the clubs. It is great to see so many children embracing activities at the end of a school day and enjoying the company of their friends. Parents are always so good at collecting pupils on time also.

I would ask for your support in making sure that all children are here for a prompt 9am start each day. I completely understand when traffic can be difficult and hold you up on any given day without warning. However, through spending time on the gate in the morning, I do see pupils and parents who regularly miss the closing of the gates each morning by a few minutes. This can be quite distressing for the child and doesn't make for a great start to their working day. Thank you for your support in this matter.

I wish you a pleasant week ahead. The Christmas spirit has definitely arrived at Mobblerley.
Kind regards
Damien Stenson
