WEEK EVENTS

Dear Parent / Carer,

As we approach the end of January the New Year celebrations seem a long time ago now. We concluded our School New Year events in church last Monday with a lovely Epiphany Service led by Rev Scott and Father Ian. The message discussed on the day was about being 'changed and improved' because of the events of Christmas. In school we are trying to do this in a number of ways:

1. **Being Healthy.** Each class is investigating ways to eat more nutritiously and keep active. We are going to expand healthy snack day so that Thursday each week is nominated. The 'Walk to Tokyo' initiative is gaining momentum with the children noting how many miles walked over the week.
2. **Being Happy.** Mental wellbeing and happiness is a focus for us in the new year. Pupils are enjoying new playground equipment, each class will have designated 'Philosophy for Children' circle times each week looking at making good choices in life and Mrs Knowles is expanding her work in supporting children with emotional issues. In addition, James Wade will be bringing a Psychologist in to work with junior classes around peer pressure, body image and social media posts.
3. **Doing God's work.** The Y6 Young Leaders have organised a day of fundraising for Australian children who have been impacted by recent bush fires.
- 4.

It always makes the staff so proud to see the children being ethically aware and stepping forward to help those in need. The children are also taking a lead in local environmental issues. Last week Anya and Ronnie represented Mobblerley in the newly formed Knutsford Youth Council looking at ways to reduce plastics in local business.

So please do speak with your children about the range of initiatives that are happening in school and encourage them to share their thoughts with you.
