WEEK EVENTS

Dear Parent / Carer,

Last week we had more bright smiles from children than I have seen in a long time. Our Y6 pupils were finally able to go on their residential trip to Dobroyd Castle, Lancashire and had a fantastic time doing a range of outdoor pursuits. I have been told that their behavior was impeccable and they represented their families and the school in a very positive light.

Year 2 and Year 4 both thoroughly enjoyed their Lego workshops last Wednesday. They were able to create wonderful city buildings complete with battery powered lights which were really impressive when all the lights were turned off. The imagination of the children and their knowledge of technology was equally impressive. All other classes will experience their Lego session this week.

We are now making much more use of the school field which is significantly improved thanks to the generous donations from the PTA and parental body. The children are able to use the lovely, green space during PE lessons and some of the older year groups are using it at lunchtimes. Hearing happy children playing together and laughing together is a joy to the ears during this turbulent year.

There are many other examples from classrooms and playgrounds of the children enjoying their time together while the academic focus is very much on making sure that children make strong progress to finish the year well. Many children are undertaking assessments over the next week or so which will inform individual written reports which will come to parents shortly.

Thank you for your continued support and vigilance regarding all things Covid related. I am very much hoping that our continued diligence in the remaining three weeks will mean an uninterrupted end of term for all children and families. Then, hopefully, in September we will be in a much improved national and local scenario.

Best wishes for the week ahead.
