WEEK EVENTS

Dear Parent / Carer,

There is such little time left in school but so many interesting and exciting things happening at the minute. The thought of lockdown and online sessions seems a distant memory for many of the children who are thoroughly enjoying the summer term. The Lego workshops were a particular highlight of last week with so many children enjoying the creative tasks. The range of complex models that were made in such a short space of time was simply 'mind-blowing.'

Tomorrow we have asked Ailsa Birchenough, who many of you will know well (parent and professional photographer) to take individual photos of the children. I am hoping the weather co-operates and we can do this outside. However, the forecast for the next few days isn't great so we will try our best. We are unable to offer sibling photos at this time.

Our Sports Day is planned for Wednesday with infants in the morning and juniors in the afternoon. Again, this is very much weather dependent so say a little prayer that the rain clouds will go away. I am extremely sad that we cannot invite parents to see the event this year. The current, local guidance for all Cheshire East schools means that we cannot have additional adults on site due to the quite alarming rise in transmission rates. There are a number of cases locally in our cluster schools with bubbles isolating. All I can ask is that parents continue to take all sensible steps to prevent transmission including getting children a PCR test if they are feeling unwell in any unusual way. Please keep family members away from school while you await these results because having to send home a class bubble just before Sports Day and end of year parties, etc. would be very hard for those children to take. Let's all hope that things are very different in September.

Best wishes for the week ahead.

Virtual Book Fair

Dear Parents,

We are always keen to promote reading at Mobberley and always hold book fairs throughout the year at school which you very kindly support. As you will remember we held a Virtual Book Fair in the Autumn Term with a company that hosts virtual book fairs and it was very well received by parents, teachers and school staff.

We have booked our Summer Virtual Book Fair to run from today (Friday) until Sunday 11th July (midnight). The company, Books for Bugs, has over 1000 brand new, popular children's books at just £2.50 each.

Just visit www.booksforbugs.co.uk/shop and choose your books. At the checkout stage, complete the billing details as normal but at the delivery details stage, you just add your **child's name** and **class** and **Mobberley School WA16 7RA** as the delivery address.

If you need any further help, please look at - <https://booksforbugs.co.uk/virtual-book-fair-info-for-parents/>

The books will be dispatched to school where we can then hand your child their book to take home to share with you.

Mobberley School will receive a free book for every 5 sold so every book counts!

I hope you can support again.

Kind regards

Kirsty Anderton, English Lead.
