WEEK EVENTS

Dear Parent / Carer,

It is great to have all our classes back and to be re-discovering how we used to do things before the pandemic. The children have been so excited to play together on the playground again, to have hot meals served from the hatch again, to meet together in assembly and hymn practice once again. There is a great sense of enjoyment in every classroom and with every new opportunity.

We extend a special welcome to the new children and families who have joined us this term. We hope your association with Mobblerley will be a long and happy one. I'm sure you will all quickly feel part of the place.

This week, as a school, we will visit St Wilfrid's church where Fr Ian will welcome the children to the start of year service. With the disruption to education we have experienced, I feel this is very fitting as the church has been the place where, through the generations, Mobblerley people have sought hope, inspiration and strength. Hopefully we can take all of these things with us as we begin an important time to ensure our pupils recover from the disruption they have experienced.

Teachers have been working hard to prepare for their new classes. They have lots of information on academic strengths and development points of the children, as well as social and medical issues. Teachers will be sharing lots of information with you about routines and expectations for the year ahead. Please contact your child's teacher if you feel there is anything significant and additional at this starting point of the year.

Please can all adults within families remember to use the lateral flow tests which we have all become familiar with now. Twice-weekly is the recommendation from Government to give an early warning of any Covid within families. Reduced measures within schools also means greater opportunities for spread so it is important for us all to be cautious and alert to any symptoms. In this way we can minimise any possible outbreaks that may occur.

Can I wish all of you a very happy and fulfilling year ahead.
