WEEK EVENTS

Dear Parent / Carer,

I hope you have all had an enjoyable Bank Holiday weekend. The summer term always used to have a busy feel (pre-covid) and it is good to return to a set of events taking advantage of the better weather.

Our Easter service in Church last Tuesday was a lovely celebration with the full school and we were delighted to welcome the small number of parents who were also able to attend the service. Thanks to Fr Ian for leading our celebration and for his weekly visits to school each Wednesday.

Invited pupils from Y3 and Y5 had their popcorn parties last week – thank you for demonstrating the Christian Values in school and we hoped you enjoyed your evening.

The Y3/4 girls football team played extremely well at their tournament last week, finishing fourth overall - a tremendous achievement!

The Y5/6 boys hosted Bexton last Thursday in football on the school field. After a competitive game, honours were even at 1-1. Well done to all our children for competing so well, often against much bigger schools.

Last Thursday, we welcomed some members of staff from Knutsford Academy who came to speak to our Y6 children and their parents around transition arrangements. It is good that these sessions are going ahead 'face-to-face' again.

A huge thank you to our wonderful PTA for organizing a brilliant disco evening last Friday. It was very well attended and the children had great fun. A sincere thanks goes to everyone who helped make the evening such a success.

This week we are sending teams to represent the school in football (Y5/6 boys v Manor Park, Y3/4 girls at Mobblerley) and a selection of junior children in golf at a Wilmslow tournament. Best of luck to all our teams.

Next week also is an important week for our Year 6 children as they sit their SATs assessments. Please remember them in your prayers. This will be the first time that formal examinations will be sat nationally since the pandemic. The children have been working hard and we hope they will give a strong account of their abilities. Regardless of any tests, your personal qualities will always be the true measure of you as a person.

Best wishes for the week ahead.

WATER BOTTLES

Please can you ensure that your child brings a water bottle to school every day. We have an increasing number of children who do not have one and as the weather will be getting warmer it is essential that they have access to a drink whenever they need one.

Many thanks for your support.
