## WEEK EVENTS

Dear Parent / Carer,

This week marks a significant moment in our recovery after (hopefully, the worst of) the Covid pandemic – our Y6 children will sit their SATs exams under formal test conditions as part of the country-wide assessment week. It is always a nervous time for them as it is their first experience of formal examinations. However, they have been well prepared by the teaching staff with many years of hard work and especially the meticulous preparation of Mrs Rainbow this year. We want them to know that however things turn out, they are not defined by a grade or a score at the age of ten or eleven. Their worth is so much more and we are incredibly proud of each of them.

I have no doubt they will go on to do extremely well and become grounded, talented young people with good values. Celebration last Friday was a great event with so much to celebrate. In addition to the normal, lengthy set of award winners, we had many children with beaming smiles, proudly showing off their medals and trophy. Our mixed Y3/Y4 golfers finished third overall in the Macclesfield cluster tournament last week beating six other schools.

Our mixed Y5/Y6 footballers played at Manor Park last Thursday and managed a hard-fought 3-0 victory against our local rivals.

Best of the bunch were the Y3/Y4 girls footballers who competed in the WFA invitation tournament on the school field also last Thursday. The girls battled their way through to the final which then went to penalties. Through a combination of brilliant goalkeeping saves and the steady nerve of our girls taking spot kicks, our team won and claimed the WFA trophy. An amazing performance by the entire squad!

The week showed the power of school sport - the physical and mental wellbeing benefits. I also firmly believe the 'feelgood' factor generated makes a child much more willing and determined in their academic subjects as well.

This week we have the Y5/Y6 girls WFA tournament on the school field on Thursday – no pressure girls!

Mrs Eadie tells me rehearsals for the school production are well underway and going well. It is always great to have a variety of events for the children to enjoy in the summer term.

Best wishes for the week ahead.

### WATER BOTTLES

Please can you ensure that your child brings a water bottle to school every day. We have an increasing number of children who do not have one and as the weather will be getting warmer it is essential that they have access to a drink whenever they need one.

Many thanks for your support.
