WEEK EVENTS

Dear Parent / Carer,

Last week was a busy week with our Year 6 children sitting their formal SAT exams. Mrs Rainbow and the school staff are full of admiration for these children who have come through so much over the past two years including lockdowns, working at home, online teaching, 'bubbles' in school, etc. It really has been a quite incredible journey for them to reach this point where they are sat at traditional tables with a pencil and rubber doing their papers once again. The experiences must have made them incredibly resilient and, whatever the results of the tests, we know every single one of them is amazing!

Our Y2 children will be doing their KS1 papers this week and we wish them every success with their exams.

Our Y1 children will be undertaking their Phonics screening check and our Y4 children will sit their Times Table check shortly. It is important for all of us to try to get back to these key assessment points so that we can ensure that no child is left behind in their learning.

Sincere thanks to all those parents who gave so generously of their time over the weekend to tidy up the overgrown 'forest area' on the school field. You have all done a remarkable job and the area is transformed. Mrs Millington is on training this week to develop 'Forest School' type experiences for the children at Mobblerley. I know she will come back with many ideas for the staff and children to get involved. The generosity of the parents over the weekend have made this a possibility and I am very grateful.

There were some impressive performances from our Netballers, beating Manor Park on their own patch last week, as well as another memorable WFA girls tournament on our own field last Thursday. The equivalent of two teams were able to make appearances – some children representing the school for the first time. The girls finished third overall and were a great credit to the school and their families. Thank you to Mrs Hasleden for arranging the tournaments. The popularity of girls football continues to grow! This week we send teams to represent us in Tennis and Cricket. Good luck to all.

In assembly on Friday, I spoke to the children about some instances of jewellery creeping into Y5 and Y6, in particular. Please can parents support us with this. Rings, chains, bangles, etc. should be kept for the weekend.

Best wishes for the week ahead.

WATER BOTTLES

Please can you ensure that your child brings a water bottle to school every day. We have an increasing number of children who do not have one and as the weather will be getting warmer it is essential that they have access to a drink whenever they need one.

Many thanks for your support.
