WEEK EVENTS

Dear Parent / Carer,

As we enter the last 'full' week at school, we reflect on how 'full' the Summer term can be for the children. In stark contrast to the previous two years, we have visitors coming in, classes going out on school trips, new children visiting, sports fixtures and tournaments, etc., etc. All this makes for an exciting and stimulating diet for the children and lots of things for parents to remember! However, it is school as it should be – busy! Last week we had the class photos taken which will be a nice record of the children's time, should parents wish to purchase these.

On Tuesday, we formally opened the ELSA (Emotional Literacy) pod. Members of the Mobblerley Trust and the PTA joined us for the ribbon-cutting ceremony. The pod will serve many generations of pupils and provide an attractive, secure space to support Mental Health work.

Hopefully, the children enjoyed the experience of their new classes and teachers on the Transition Morning. It is always important for the children to feel part of their new surroundings and create a positive impression with their new teacher.

We had teams representing Mobblerley in Tennis (Y4), Netball (Y6) and Boys Football (Y4) last week. All performed extremely well and demonstrated excellent sportsmanship. Our Y5 Cricket team have qualified for the County Finals and will play in Warrington this Wednesday. We wish them good luck – we know they will give their best!

We are delighted that so many pupils have managed to represent the school this term. We know this is wonderful for wellbeing, great for personal development and something they will never forget.

This week, we welcome Crucial Crew who will be speaking with the Y5/6 pupils about Drugs and Alcohol Awareness. We also have Popcorn parties to reward our VIP winners. Class teachers have been in touch with the children involved this time.

THOUGHT FOR THE WEEK

When it gets busy be rooted in God who sustains.
Psalm 1:3 That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither— whatever they do prospers.

WATER BOTTLES

Please can you ensure that your child brings a water bottle to school every day. We have an increasing number of children who do not have one and as the weather will be getting warmer it is essential that they have access to a drink whenever they need one.

Sunscreen and Hats

The forecast is predicting very hot and sunny weather for the foreseeable future, as you know staff at school cannot apply sunscreen on the children, please ensure that your children have sunscreen applied before they come to school or bring some in which they can apply themselves.

Bring a hat too.

Many thanks for your support.

Please can we remind you to ensure that all uniform is clearly labelled; there are a lot of cardigans and jumpers being left on the field and playground that haven't any names in them.

Thank you.

Finally:

Some words of wisdom from one of our Year 3 Parents:

Remember, it's nice to be important
but
more important to be nice.

Pen Licences

Congratulations to the following children who have been awarded their pen licenses.
